

# LEASE IT TODAY!

The tax efficient finance solution  
for your business

## What is FlexiCommercial?

FlexiCommercial is a product of Flexirent, an Irish division of an Australian ASX200 company called Flexigroup Limited.

Our aim is to provide flexible and tax efficient leasing solutions and great customer service by being easier to deal with than the competition such as banks and other financial institutions.

We are looking to become a trusted partner in the growth and success of your business adding value through our friendly and customer focused people.

## Why lease?

**Keep cash flowing** - Avoid draining cash flow for day to day expenses and preserve your liquidity.

**Ease of budgeting** - Lease payments are fixed, you can choose from a range of terms up to 5 years enabling you to plan with certainty.

**Bundle your solution** - Bundle all your equipment, accessories and installation into a lease.

**Keep up to date** - Lease assets and equipment over their productive life then upgrade at the end of term to new and better equipment.

**Be more productive** - The extra productivity of the new equipment will help pay for the lease cost.

**Tax benefits** - You may potentially claim tax deductions on lease payments that you make.

## Why lease with FlexiCommercial?

**Simple access to finance** - We keep the paperwork to a minimum

**Ease of budgeting** - At the end of the lease term you will have options - upgrade, purchase or return assets.
